

ONE PER FAMILY

MODIFIED SCHOOL CANCELLATION PROCEDURES

Several local radio and TV stations are alerted when the decision is made to close school. Notification may also be made via an automatic phone calling procedure. Parents may submit up to three numbers to receive automatic calls and/or texts for unanticipated closure of school. We will be using one call list for **all closures of school**:

1. **No school days and delayed starts**
2. **If school is unexpectedly dismissed early** (new for 2014-15 year)

New for this year, the system also allows people to opt for text messages. For text messages to be sent automatically, people need to respond to a text accepting the service. If you do not get a text message to accept this service, you can text the word **Alert** to 22300 to sign up.

If for some reason you do not receive a phone call when the weather is inclement, please check with one of the local TV or radio stations (which are listed in the student handbook).

In the event school is closed early after the start of the day:
